WHY SPONSOR THE BAYSVILLE CURLING & BOCCE CLUB?

Support of the Baysville Curling & Bocce Club not only links your company name to the curling club but makes you a valued partner generating increased and positive visibility for your company.

MISSION OF THE BAYSVILLE CURLING & BOCCE CLUB.

It is our mission to provide a safe, clean and friendly environment that offers the opportunity to enjoy fellowship and sport. We are dedicated to the promotion of curling and bocce by providing an affordable, enjoyable, and social activity for people of all skill levels from beginner to experienced.

ESTABLISHED IN 1952

We have grown and changed in our 70-year history. Our first "home" was in a wood frame building with natural ice. One veteran curler described early curling as "mogul curling" as the rock bounced up and down and back and forth as it made its way to the 'house'. The ice was natural; the building was extremely cold; lighting was dim; and the corn brooms left a nightmare of "straw" on the sheet.
